01 · SCHOLARLY CITIZENSHIP

Contributing to Academic Communities

I contribute to international scholarly communities through peer review, research network participation, collaborative knowledge exchange, and support for research quality across disciplines.

International Research Engagement — Selected EU-Funded COST Actions (2019–Present): Secured external funding as a Consortium member and UK Representative / Management Committee Member in 28 COST Actions (budgets €150k–€200k/year over 4 years), advancing SDGs, inclusive pedagogy, and equity.
